Docket Number: E-01345A-16-0036 + E-01345A-16-0123

Dear Honorable Commissioners:

APS has yet to make a case why small business owners, such as myself, should be required to pay more each month for basic service. Accordingly, I ask you to vote no for any rate or other increases they are seeking.

As a business owner I do all I can to have my company be as energy efficient as possible and I do not think it is fair to see my bill go up when I am doing my part.

I am relying on you to vote no to increasing monthly costs which are not able to be reduced even when we reduce our consumption.
